Enesta,

Erik Milito, Upstream Director of API, on a conference call this morning accused EPA of "sloppy" workmanship in its investigation of water contamination in Pavillion and I'm seeking an EPA comment to rebut those charges.

Enesta:

OK. Thanks I will contact Julia. However, please be advised that I'm writing a story, which I plan to file shortly to our real time news service containing comments highly critical of the EPA and would appreciate it if someone could contact me with a comment ASAP.

Thanks again for your help. I look forward to hearing back from Julia very soon.
Jim
